

Tina Faraca

***Executive Vice-President and Chief Operating Officer,
Natural Gas Pipelines***

As Executive Vice-President and Chief Operating Officer, Natural Gas Pipelines, Mrs. Faraca provides strategic leadership for all commercial, operational, safety & technical services, and project execution aspects of TC Energy's natural gas transmission and storage businesses across Canada, the United States, and Mexico.

Before her current appointment, Mrs. Faraca served as Executive Vice-President and President of U.S. Natural Gas Pipelines, and prior to that, held the position of Senior Vice-President of Operations, Projects and Technical Services for the U.S. regulated natural gas transmission and storage business. Mrs. Faraca joined TC Energy in April 2020 as Senior Vice-President of Commercial, U.S. Natural Gas Pipelines.

Before joining TC Energy, Mrs. Faraca served as the Chief Commercial Officer at Enable Midstream Partners, responsible for the natural gas transportation and storage, natural gas gathering and processing, and crude oil businesses. Her career also includes 18 years at Spectra Energy, the predecessor to Enbridge, where she held various senior leadership positions, including Vice-President of Engineering and Construction, Vice-President of Corporate Strategy, and President of Maritimes & Northeast Pipeline.

Mrs. Faraca currently serves as an Independent Director at UGI Corporation and is on the non-profit Board of Directors for GTI Energy, United Way of Greater Houston and Strake Jesuit College Preparatory. She has also served on numerous industry boards, including the Interstate Natural Gas Association of America (INGAA).

Mrs. Faraca holds a Bachelor of Science in Petroleum Engineering from the Colorado School of Mines in Golden, Colorado.

TC ENERGY 

We are a leader in North American energy infrastructure, spanning Canada, the U.S. and Mexico. Every day, our dedicated team proudly connects the world to the energy it needs, moving over 30 per cent of the cleaner-burning natural gas used across the continent. Complemented by strategic ownership and low-risk investments in power generation, our infrastructure fuels industries and generates affordable, reliable and sustainable power across North America, while enabling LNG exports to global markets.

Our business is based on the connections we make. By partnering with communities, businesses and leaders across our extensive energy network, we unlock opportunity today and for generations to come.

TC Energy's common shares trade on the Toronto (TSX) and New York (NYSE) stock exchanges under the symbol TRP. To learn more, visit us at [TCEnergy.com](https://www.tchenery.com).
