ABOUT TC ENERGY

PROUDLY CONNECTING THE WORLD TO THE ENERGY IT NEEDS.

We are a leader in North American energy infrastructure, spanning Canada, the U.S. and Mexico. Every day, our dedicated team proudly connects the world to the energy it needs, moving over 30 per cent of the cleaner-burning natural gas used across the continent. Complemented by strategic ownership and low-risk investments in power generation, our infrastructure fuels industries and generates affordable, reliable and sustainable power across North America, while enabling LNG exports to global markets.

Since our founding, we have built a solid foundation of exemplary assets, a talented workforce and valued stakeholder relationships, all guided by our commitment to safety in every step and operational excellence. Our business is based on the connections we make. By partnering with communities, businesses and leaders across our extensive energy network, we unlock opportunity today and for generations to come.

TC Energy's common shares trade on the Toronto (TSX) and New York (NYSE) stock exchanges under the symbol TRP. To learn more, visit us at TCEnergy.com.

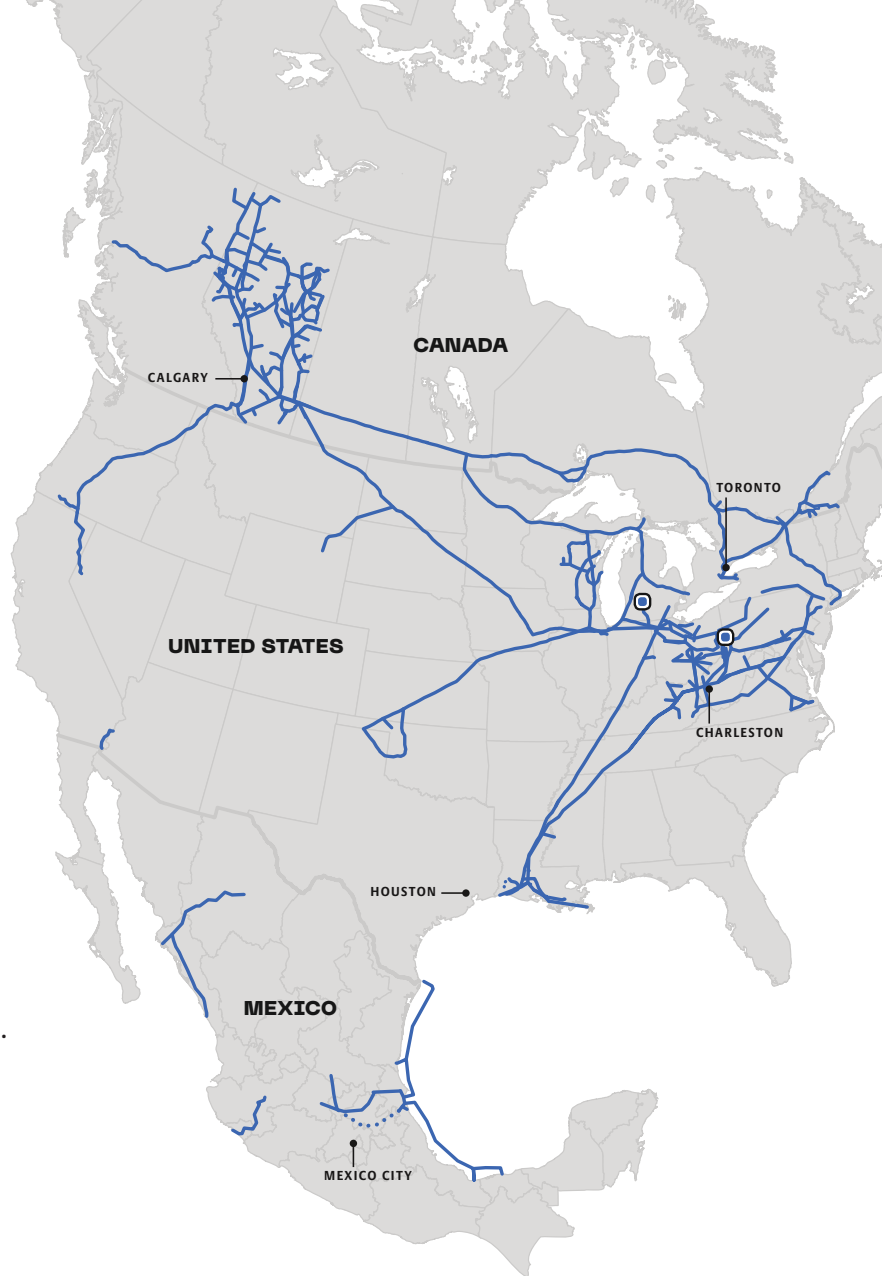

AN UNPARALLELED ASSET BASE

Natural Gas Pipelines

- » North America's largest natural gas pipeline network, extending approximately 94,000 kilometres (58,000 miles)
- » Safely transports over 30 per cent of the natural gas required to meet continental energy demand every day
- » One of the largest natural gas storage operators with approximately 650 billion cubic feet of capacity

Power and Energy Solutions

- » Portfolio capacity: 4,650 MW of electricity
- » Over 75 per cent of that capacity is low carbon emission electricity generation

GUIDED BY OUR VALUES

Our values—safety in every step, personal accountability, one team and active learning—guide our actions every day as we move, generate and store the critical energy that North America and the world depend on.
